Re: U.S. v. Vazquez

Dear Probation Officer,

I am sorry that I do not have your name directly, but P.S.I. Reports are held by the case managers and prispners are not allowed to have their own report. The reason for this letter is that I need to demonstrate that I have used controlled substances in the past in order to qualify for acceptance in the 500 Hour Drug Rehabilitation Program.

It is my recollection that the pre-trial services interview that was done when I first was detained to determine my eligibility to be release on bond, contains references to my drug use. For example, I was asked if I had used controlled substances within the last month of my arrest and I informed the interviewer that I had used cocaine in the past week.

It would be of grate help if your office could send me a copy of the report done at such time.

Thank you in advance for the time spent over my request.

Sincerely yours,

Puggi Vazquez
